Stop.

Here,
have
this.

About
200 cc to
fix your
organs...

Nothing
works
like

*I
don't
need
that.*

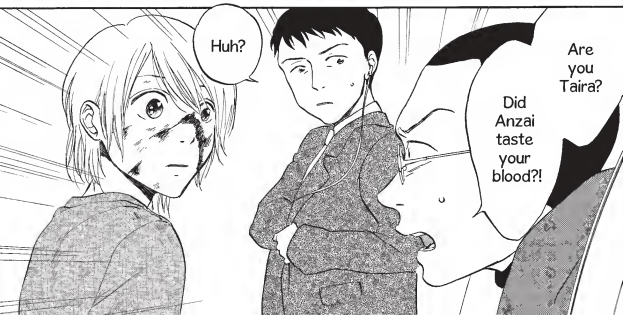

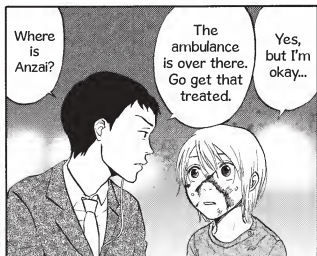

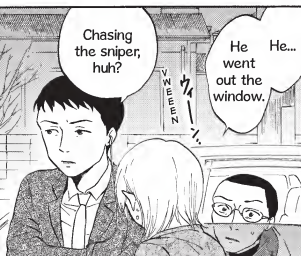

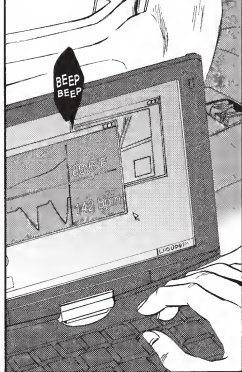

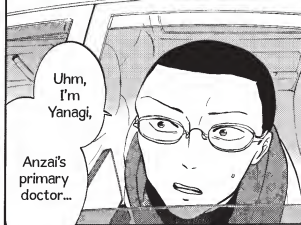

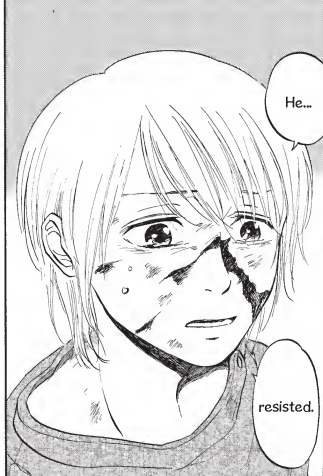

human
blood,
after all.

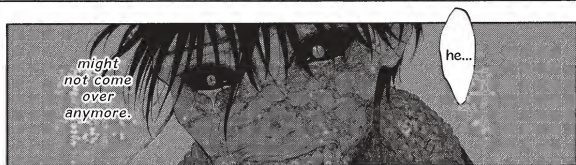

*I don't
need
that!!*

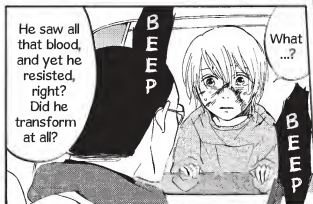

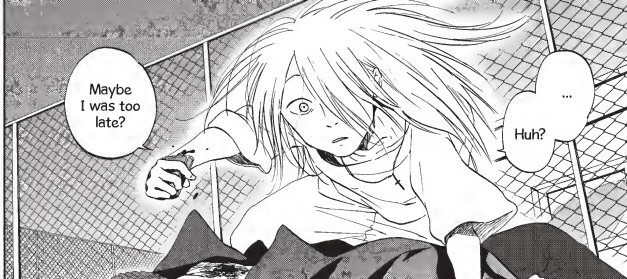

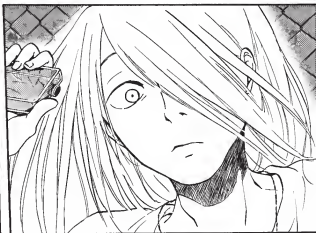

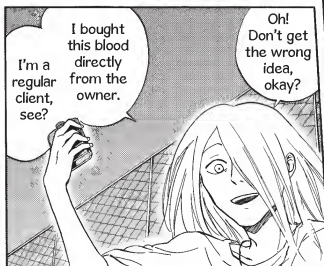

of
human
blood.

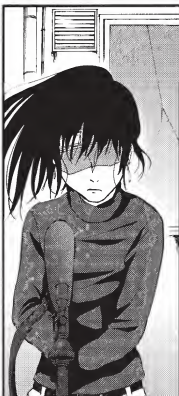

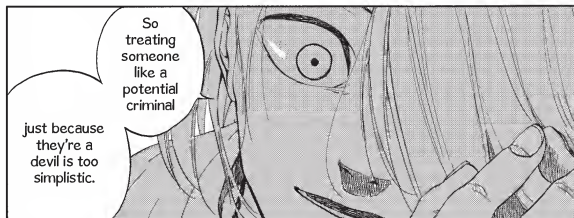

Intake
of a large
amount

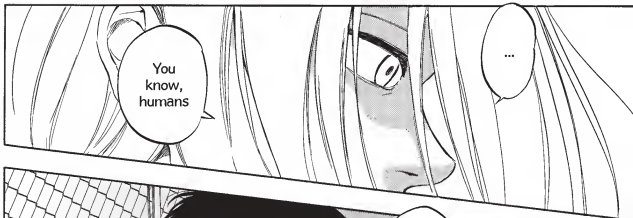

He
wouldn't
have gone
that far if
he hadn't
been a
devil!!!

That
man
drank
my dead
mother's
blood

as he
stripped
and
raped
her.

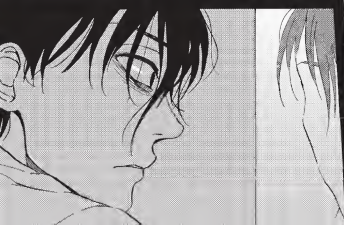

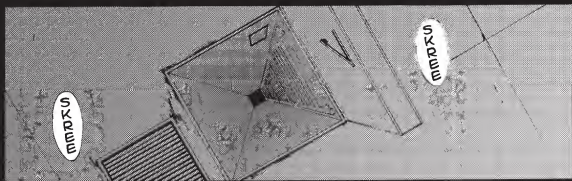

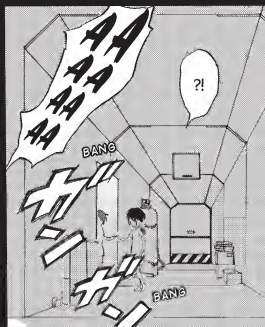

You
know,
humans

...

do
awful
things,
too.

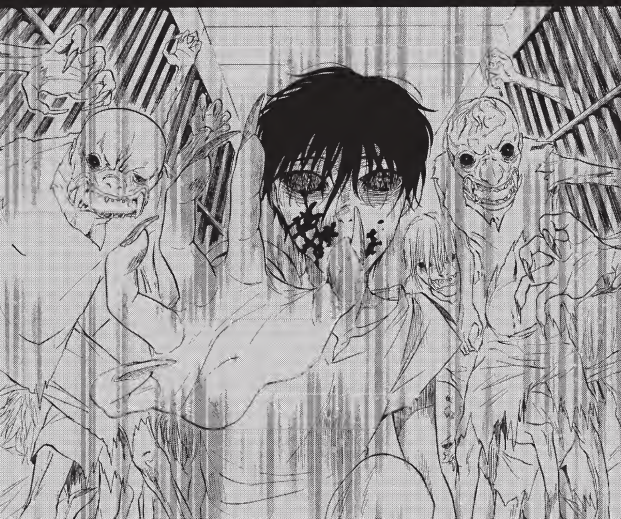

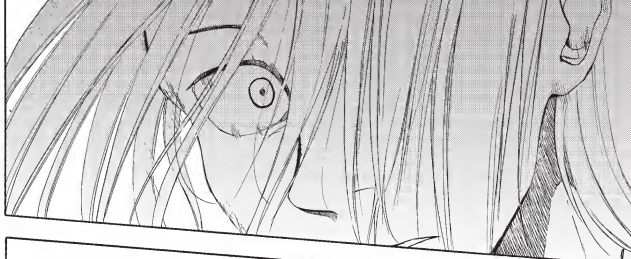

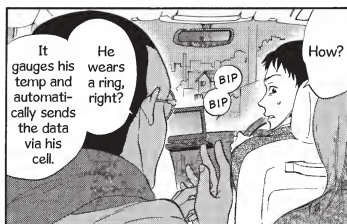

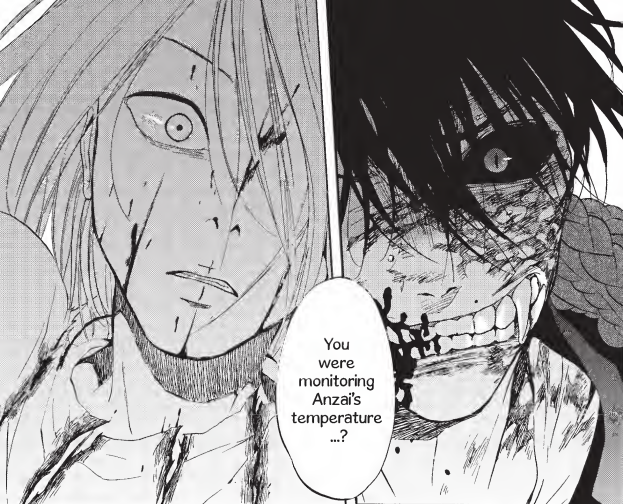

*I'm
different.*

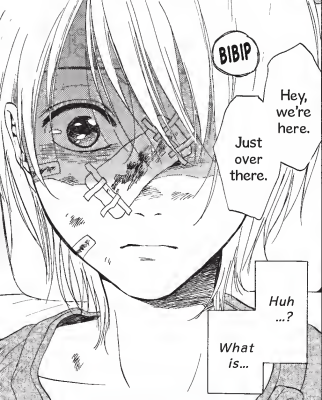

THROB

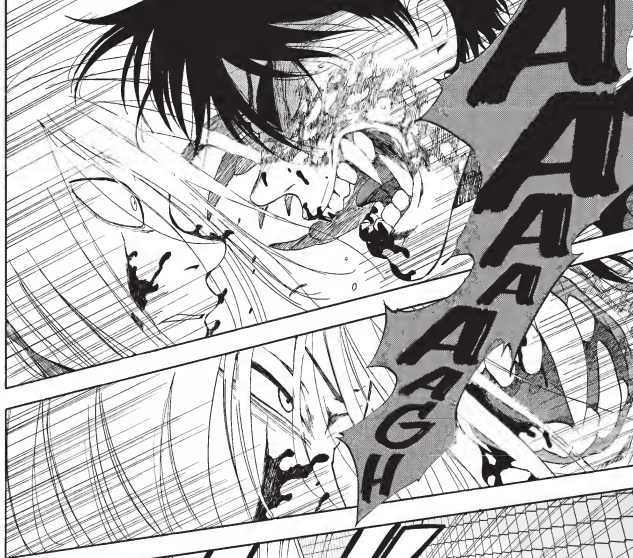

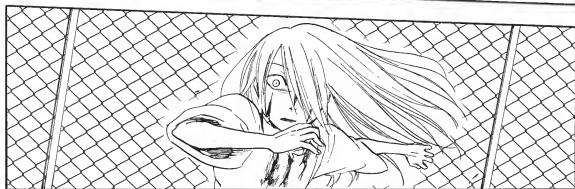

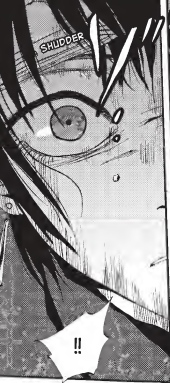

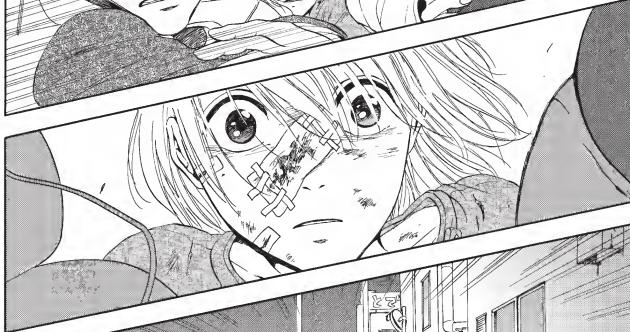

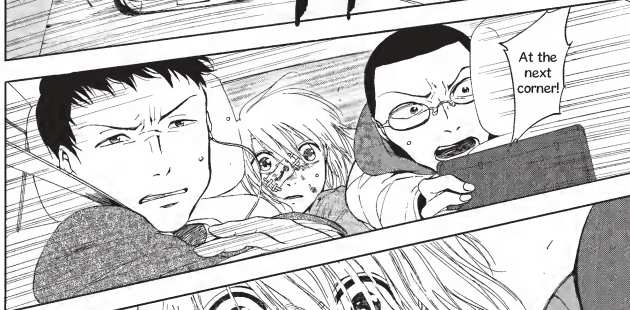

*this
feeling
just
now...*

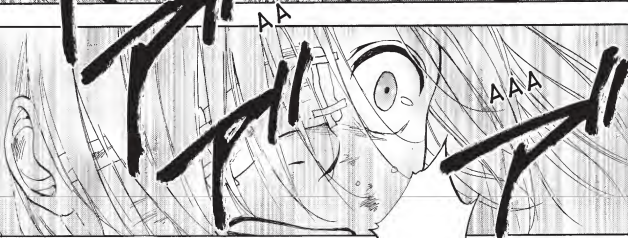

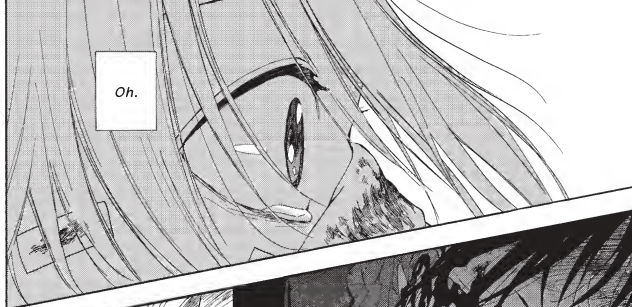

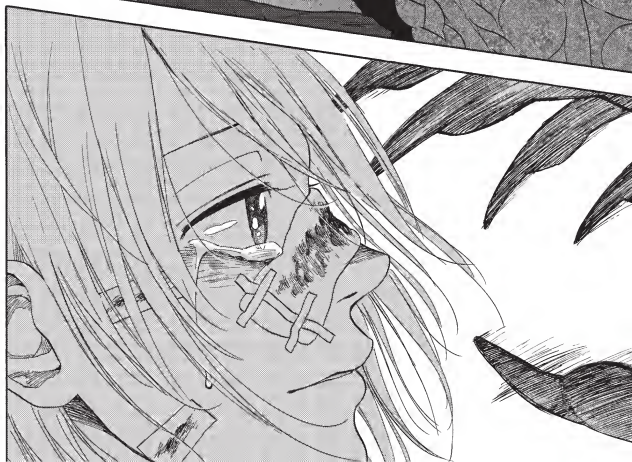

Oh.

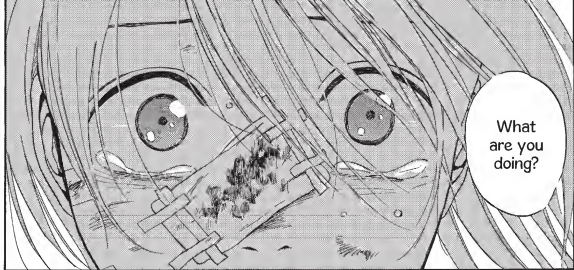

Right.

BOOM

*How
frustrating.*

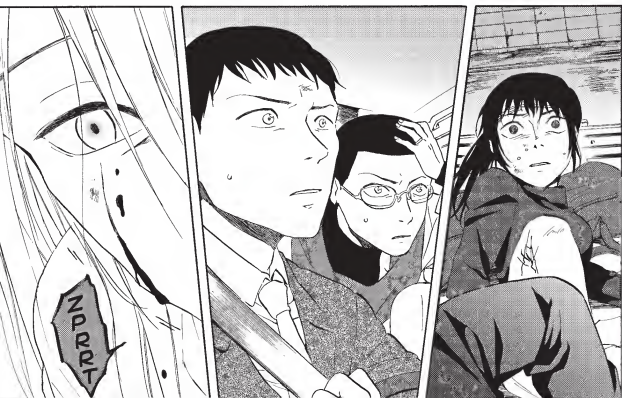

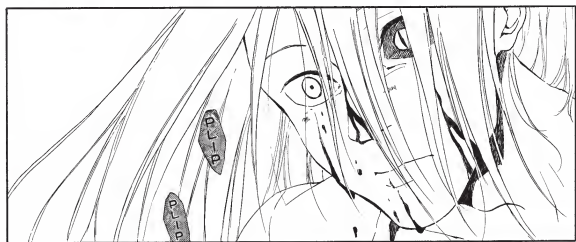

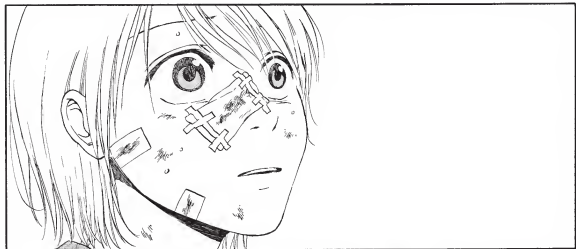

What
are you
doing?

He'll kill
you, you
know?

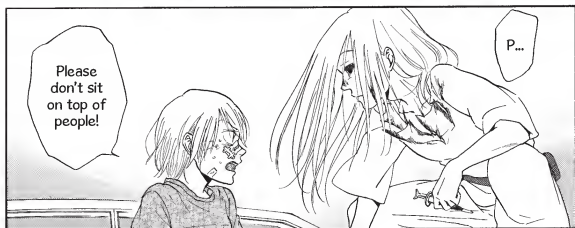

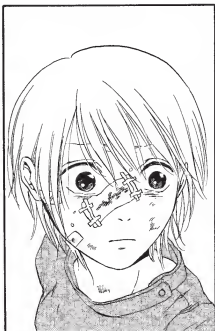

Can
I have
just a
little
blood?

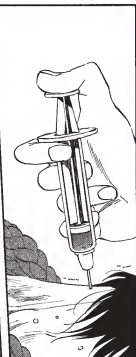

Uhm.

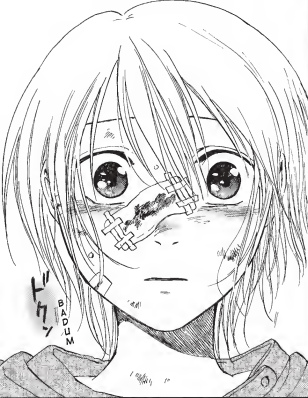

About
50 cc
should
do it.

Line 8

Under Control

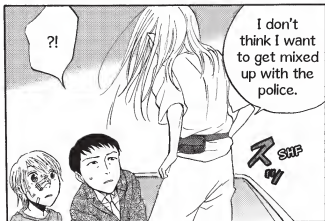

What?

I'm not a
wanted
criminal or
anything
yet.

?!

I don't
think I want
to get mixed
up with the
police.

Σ SHF

And
that
eye...

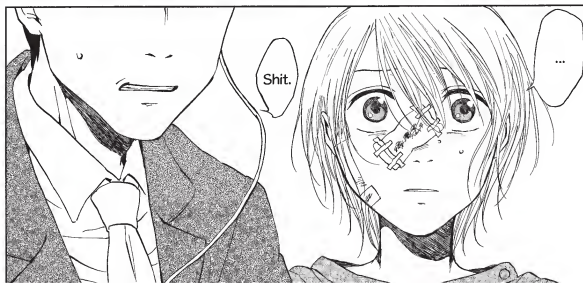

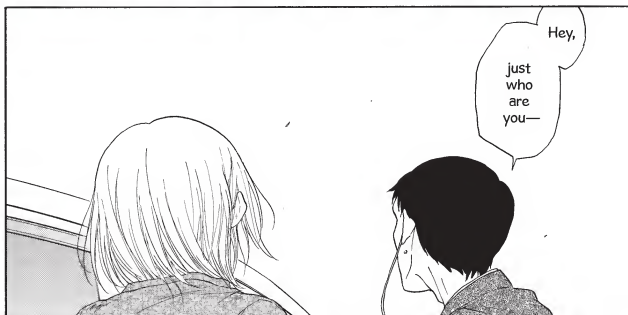

...

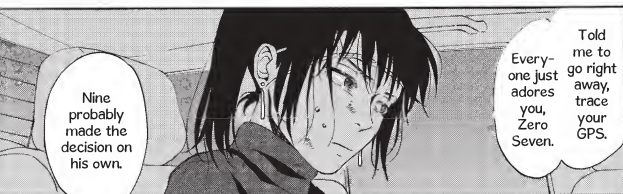

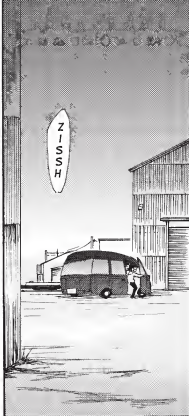

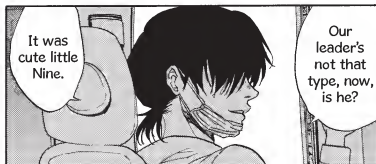

Who
are
you?

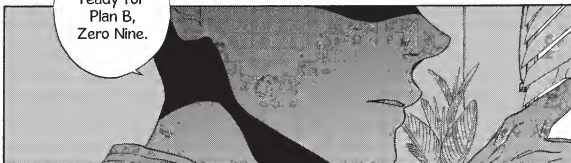

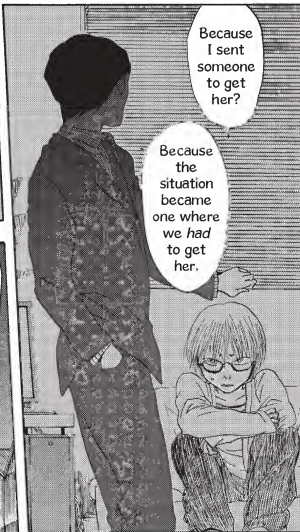

Get
ready for
Plan B,
Zero Nine.

We're
just
speeding
things
up a
bit.
Don't
tell
Zero
Seven.
She's
against
it.

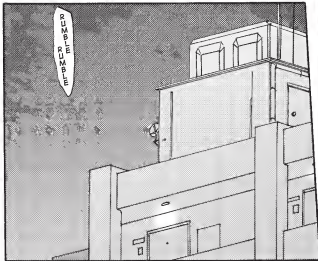

Because
I sent
someone
to get
her?

Because
the
situation
became
one where
we *had*
to get
her.

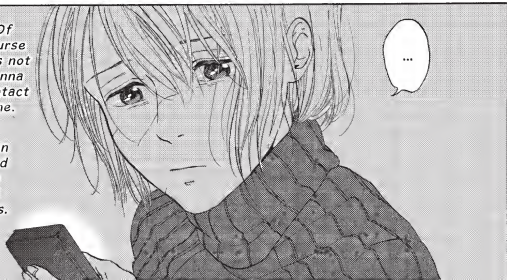

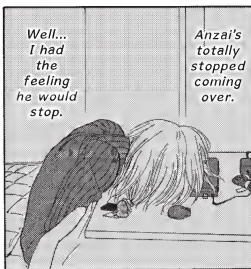

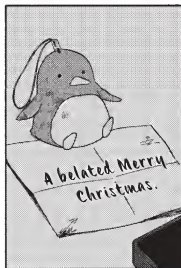

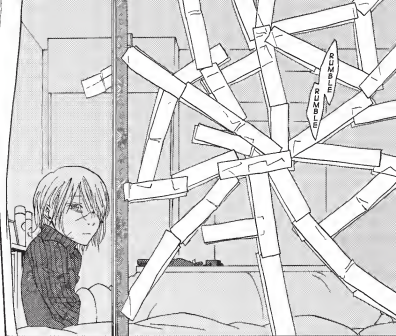

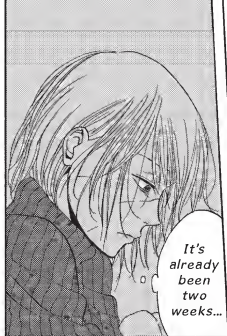

We don't
want her
getting in
the way on
the big
day.
Get her
gun and
equipment.
Say it's for
maintenance
or some-
thing.

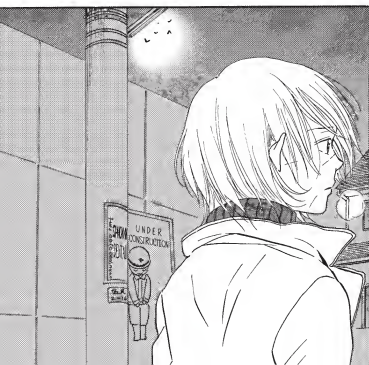

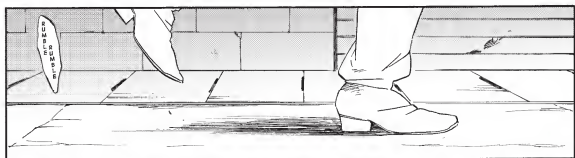

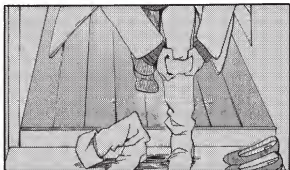

Of course he's not gonna contact me.

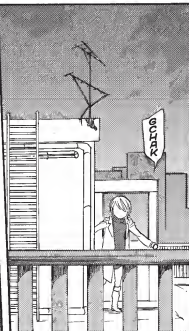

We never even exchanged numbers or email addresses.

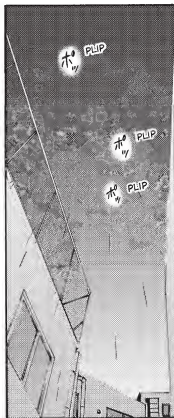

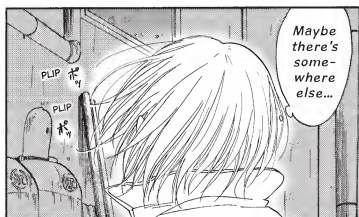

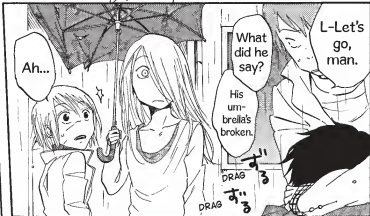

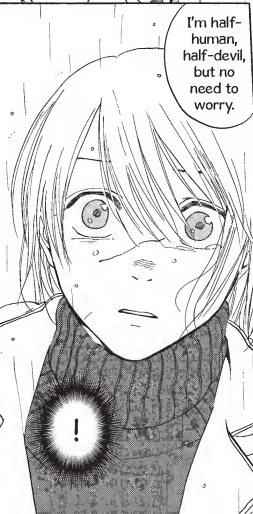

Why
won't
he
come?

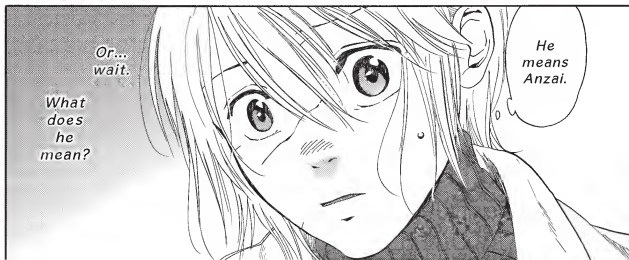

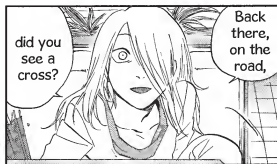

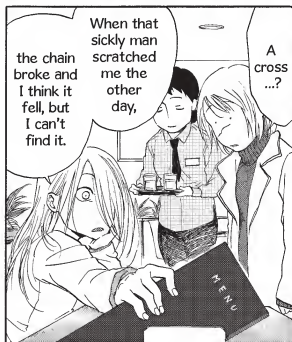

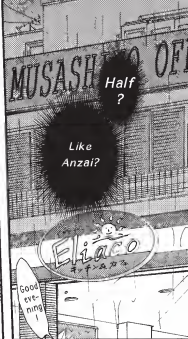

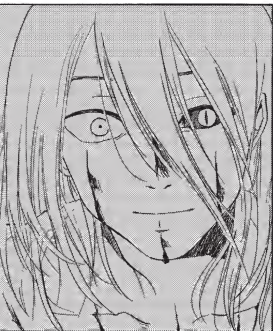

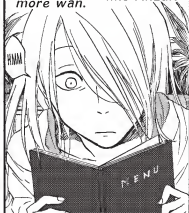

Can I have
just a little
blood?

No,
wait.
I'm
pretty
sure
this
guy...

Devils
who aren't
drinking
blood are
supposed
to look
more wan.

If he's
half-devil,
why doesn't
he have
bags under
his eyes
like Anzai?

That
much?!

Hamburg
steak set,
Margherita
pizza, and
chicken
risotto.

Uhm...

your
left
eye...

Uhm,

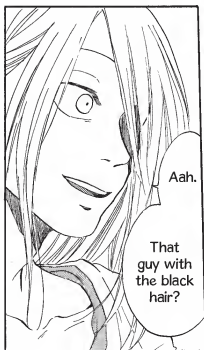

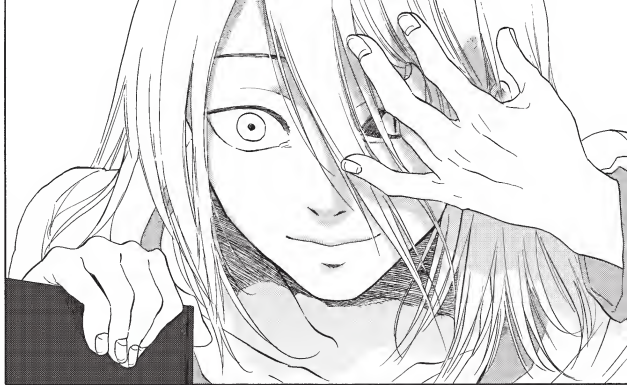

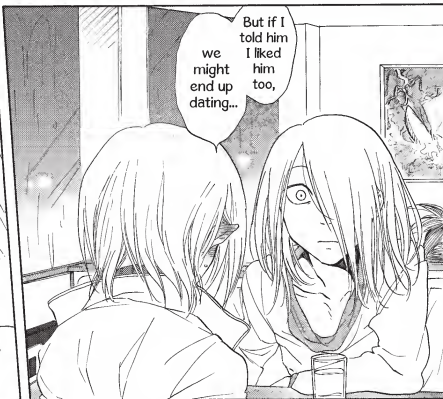

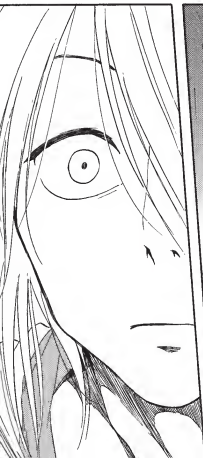

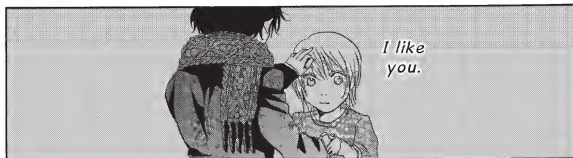

Uh.

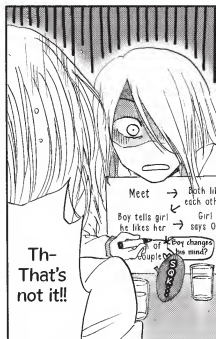

Oh.

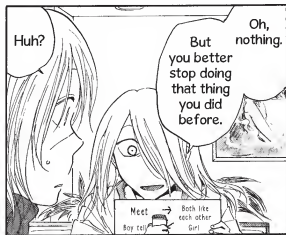

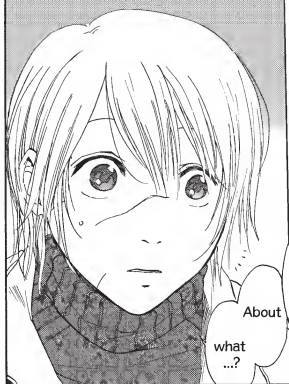

You
want
any-
thing?

Tea,
please.

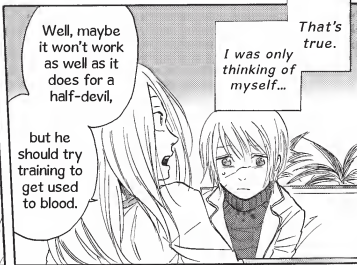

Training ?

Yeah.

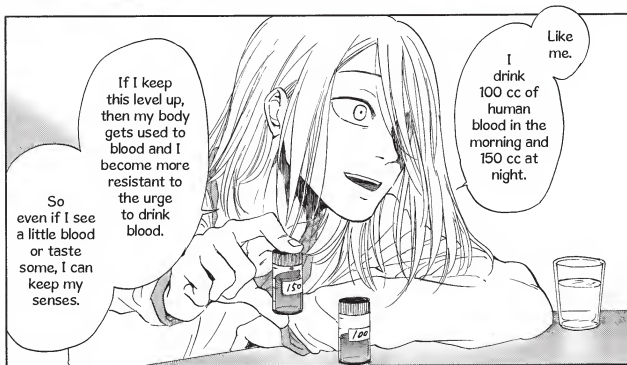

Well, maybe it won't work as well as it does for a half-devil,

but he should try training to get used to blood.

I was only thinking of myself...

That's true.

If I keep this level up, then my body gets used to blood and I become more resistant to the urge to drink blood.

So even if I see a little blood or taste some, I can keep my senses.

I drink 100 cc of human blood in the morning and 150 cc at night.

Like me.

And if I get hurt, it heals up nicely.

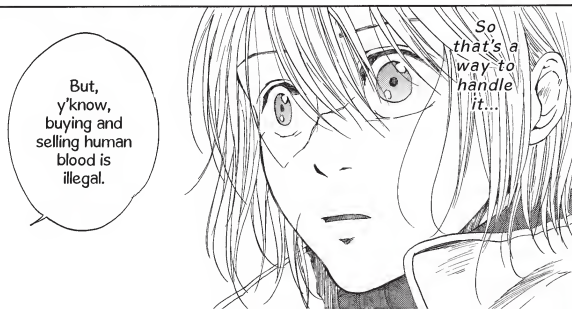

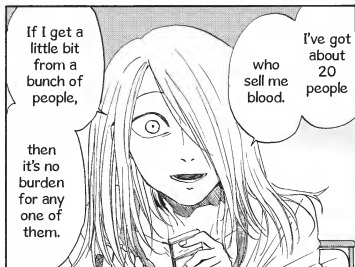

Ah...

But this transformation doesn't go any further than one eye.

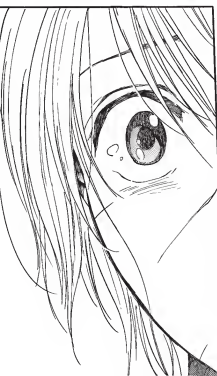

It's because I drank my evening dose earlier.

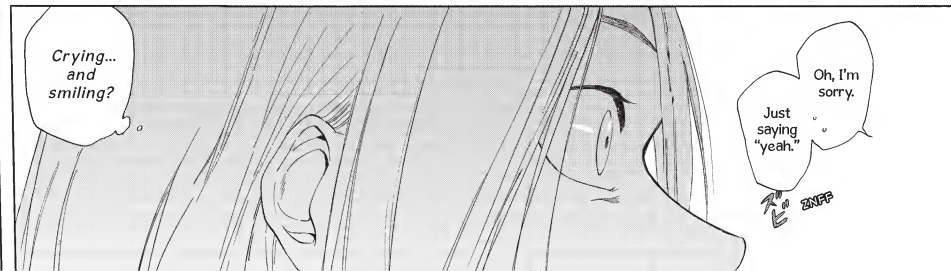

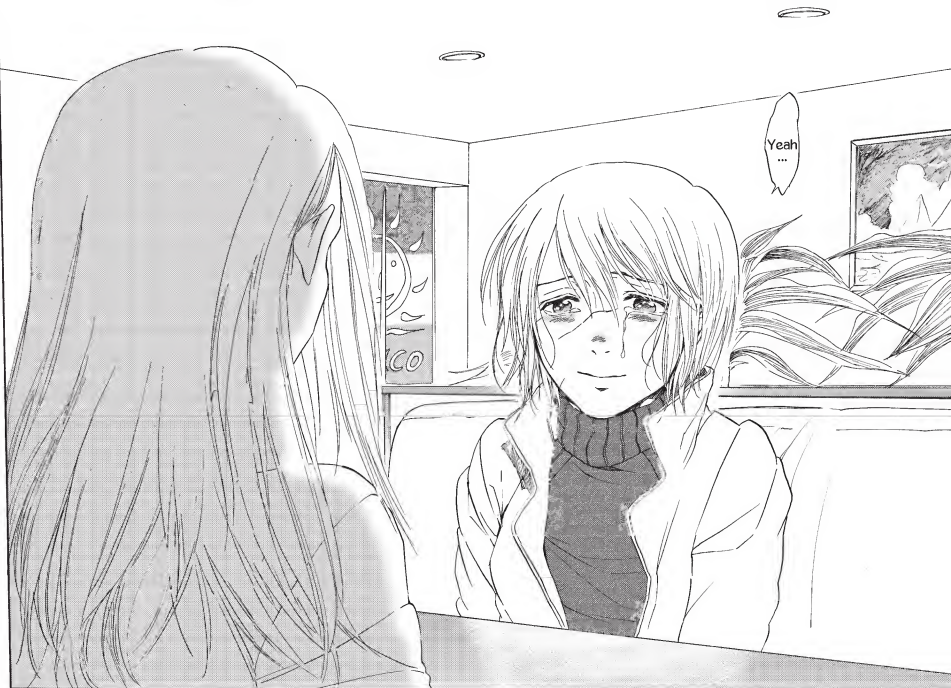

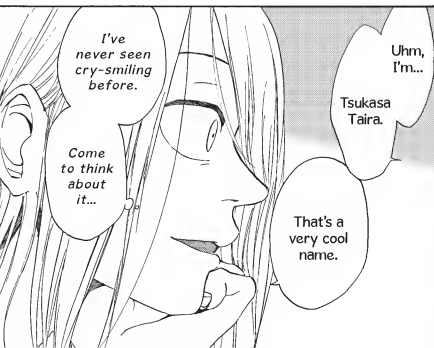

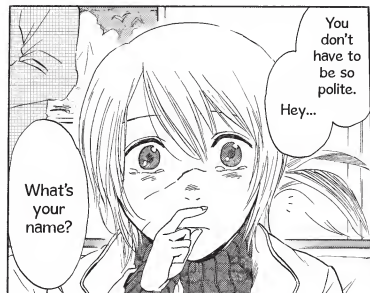

Ah!

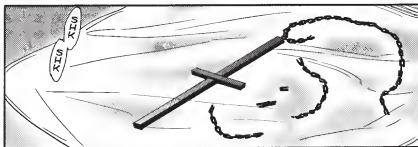

So... what about your eye?

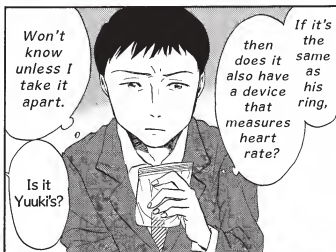

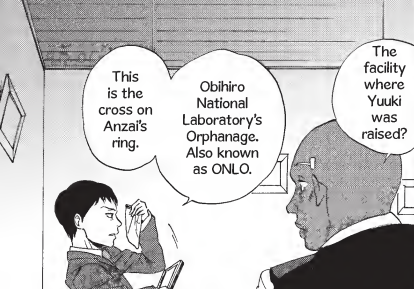

but he
doesn't
really
touch
it...

I've left
food
outside
his door,

Huh?!
Still?!

Good
thing he's living
in one of your
rentals, Sakaki.
He's not even
answering
the phone.

How
long is he
gonna lick
his wounds?
I'm gonna
punch him.

His
suspension
is up tomor-
row.

KLATTER

Anzai
still holed
up in his
room?

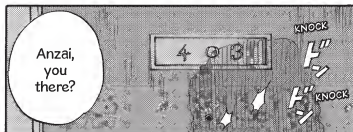

This'll
bring him
around.

I
brought a
present.

Sawazaki,
I'll go with
you.

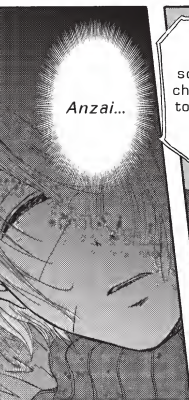

Like it or not, you're back in the field tomorrow.

I'm leaving a present for you out here.

If you're nervous about going out on your own,

put this on and come out.

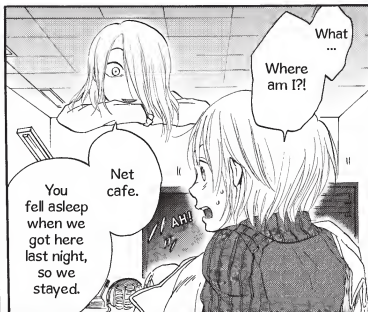

And don't be so formal.

Come over here a minute.

...

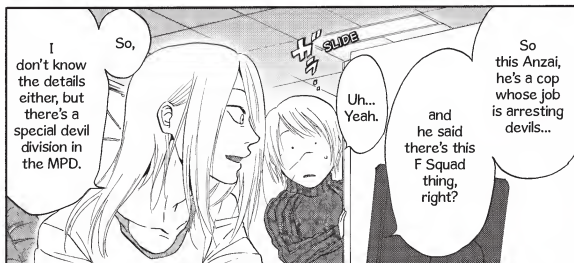

What ...

Where am I?!

Net cafe.

You fell asleep when we got here last night, so we stayed.

I don't know the details either, but there's a special devil division in the MPD.

So,

SLIDE

Uh... Yeah.

and he said there's this F Squad thing, right?

So this Anzai, he's a cop whose job is arresting devils...

After thinking about it, I'm pretty sure

F Squad is the field team of Division 5.

It's called Public Security Division 5.

It's not official, but it definitely exists.

⑤ is the club in Hazamacho where the murder took place.

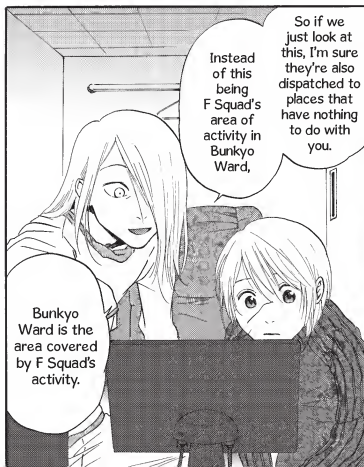

③ is the Sanyo Building.
④ is Kageo University.

① is your house. ② is the road where you first met.

I pinned the places you saw Anzai and places that seem connected with F Squad on a map.

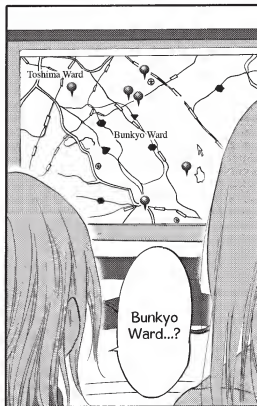

⑥ is that alley where we fought with the sniper...

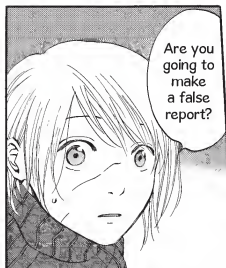

Instead of this being F Squad's area of activity in Bunkyo Ward,

So if we just look at this, I'm sure they're also dispatched to places that have nothing to do with you.

Bunkyo Ward is the area covered by F Squad's activity.

Bunkyo Ward...?

Are you going to make a false report?

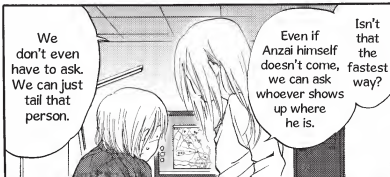

At the very least, if a devil crime is reported in this area,

it's very likely someone from F Squad will be dispatched.

You wanna get something to eat and think of another way?

Well, whatever.

We don't even have to ask. We can just tail that person.

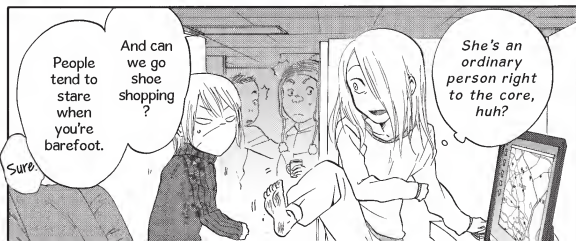

Even if Anzai himself doesn't come, we can ask whoever shows up where he is.

Isn't that the fastest way?

She doesn't want to make a fake emergency call?

Right...

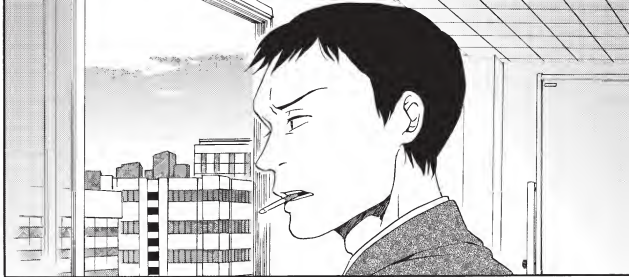

People tend to stare when you're barefoot.

And can we go shoe shopping?

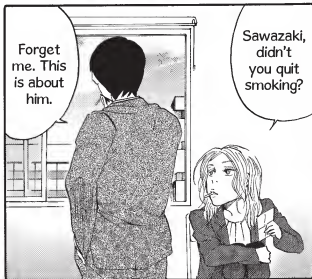

She's an ordinary person right to the core, huh?

Sure.

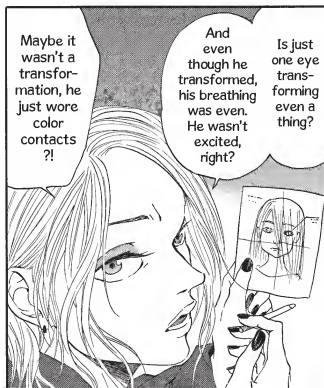

He stands out so much, but he's not even on Division 5's devil list, much less the wanted list.

He said he wasn't a wanted criminal yet, right?

Forget me. This is about him.

Sawazaki, didn't you quit smoking?

Maybe it wasn't a transformation, he just wore color contacts ?!

And even though he transformed, his breathing was even. He wasn't excited, right?

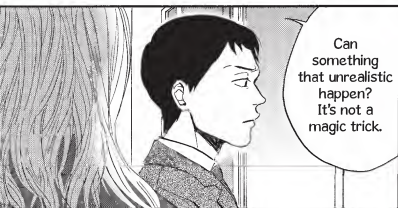

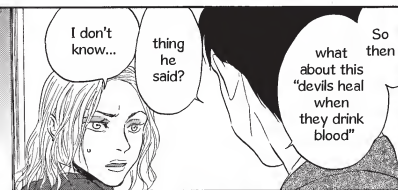

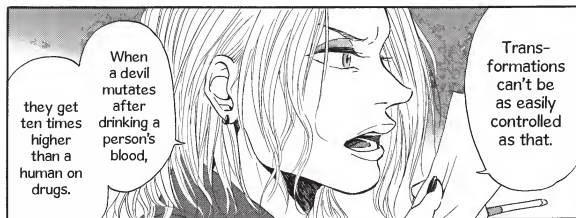

Is just one eye transforming even a thing?

Something doesn't sit right.

And he apparently carries human blood around in a bottle.

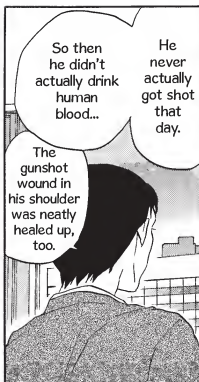

But one eye was a devil's.

Have
you ever
drunk
human
blood,

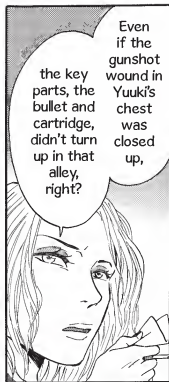

Jill?

So then
he didn't
actually drink
human
blood...

He
never
actually
got shot
that
day.

The
gunshot
wound in
his shoulder
was neatly
healed up,
too.

the key
parts, the
bullet and
cartridge,
didn't turn
up in that
alley,
right?

Even
if the
gunshot
wound in
Yuuki's
chest
was closed
up,

Why
would you ask
me
that?

...

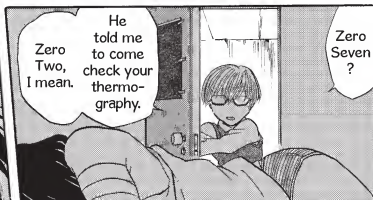

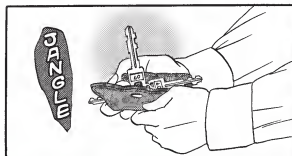

Don't
be
late.

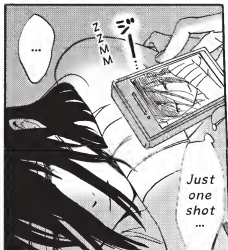

We're
meeting
at 6
tonight at
the usual
bar.

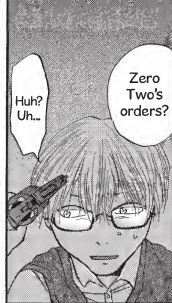

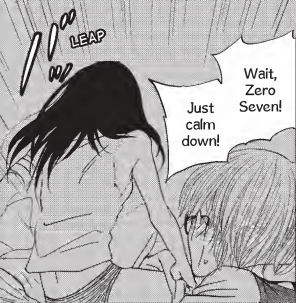

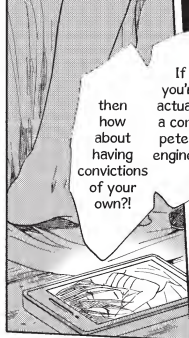

If
I had,
they'd
never let
me be a
cop.

Of
course
not!

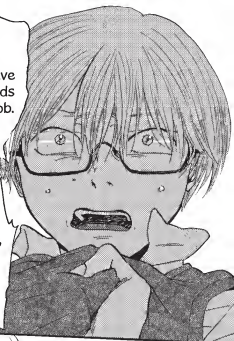

then
how
about
having
convictions
of your
own?!

If
you're
actually
a com-
petent
engineer;

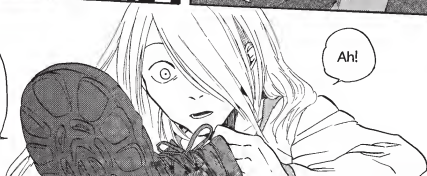

Zero
Two gave
me funds
and a job.

So if
you owe
someone,
you'll do
anything
for them?!

Perfect
fit.

Ah!

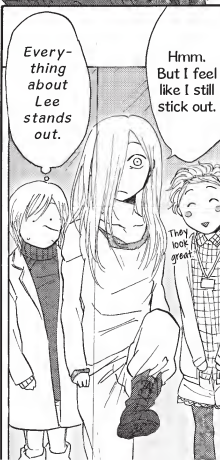

My
hair?

Maybe
pull it
back?

Oh...
Your

look
great.

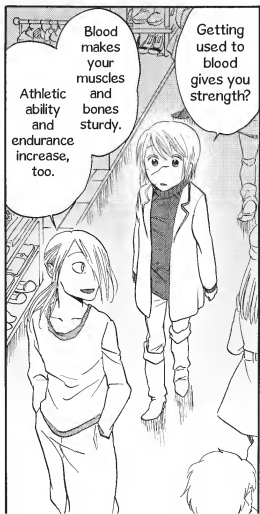

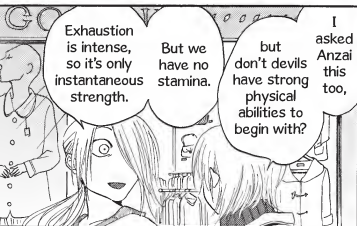

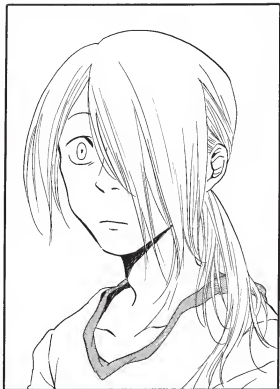

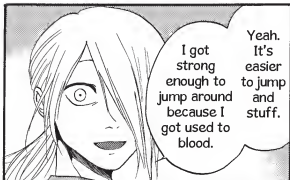

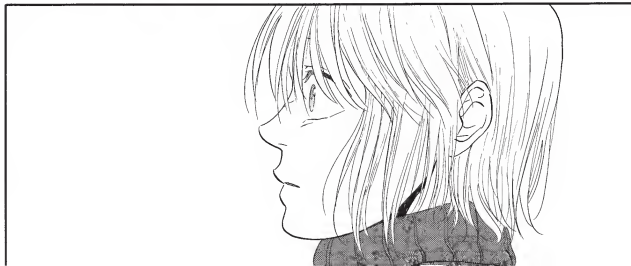

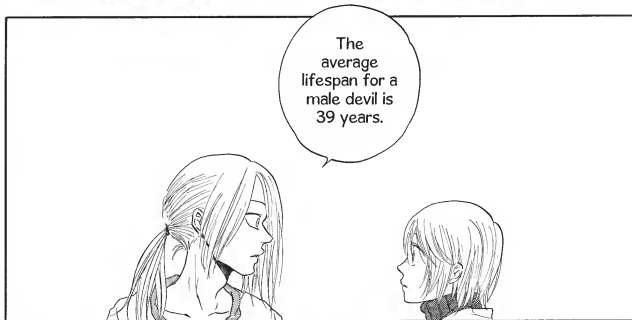

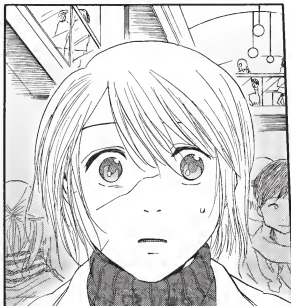

You're
getting
those?

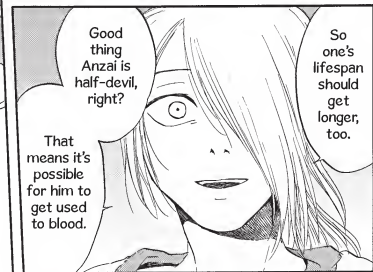

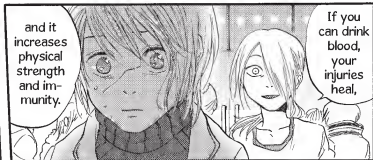

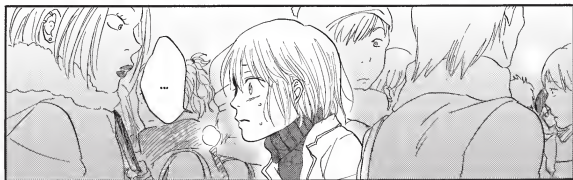

Thank
you!

Yeah.

They're
pretty
easy to
walk in.

You
want to
give him
your
blood?

It
takes more
than a
couple days
to get
used to
blood.

Well,
no need
to panic.

He'll
definitely
hate it...

Say
that to
Anzai. He'll
be so happy
he'll get a
nosebleed.

I get
chills
just
hearing
that.

He
won't
be
happy.

What should we do, Sawazaki?

You gonna call Anzai...?

Upsie.

Fire him.

What'll you do if he doesn't come?

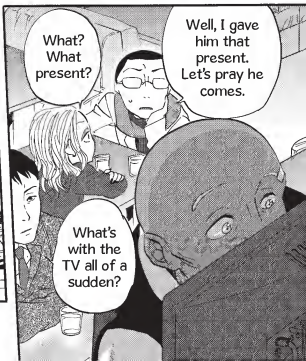

The meeting's at 6. We'll wait until then.

but I want to watch the weather report that's coming on.

That would be fine,

You gonna turn this into a sports bar or something?

What? What present?

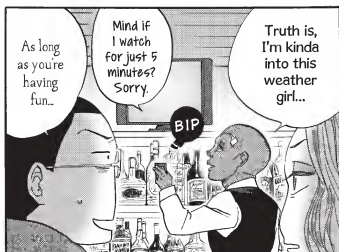

Well, I gave him that present. Let's pray he comes.

What's with the TV all of a sudden?

We're
at the
fountain
plaza!

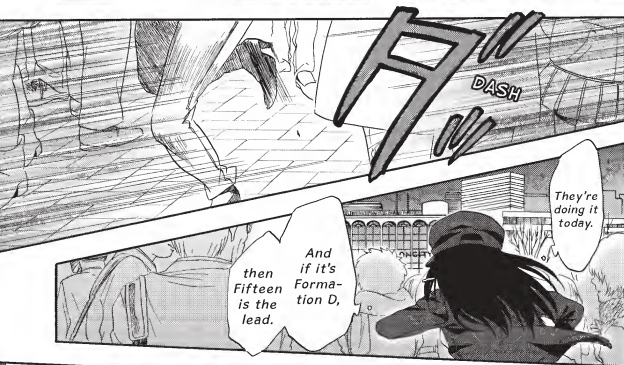

Good
evening!

As long
as you're
having
fun...

Mind if
I watch
for just 5
minutes?
Sorry.

Truth is,
I'm kinda
into this
weather
girl...

DASH

They're
doing it
today.

And
if it's
Formation D,
then
Fifteen
is the
lead.

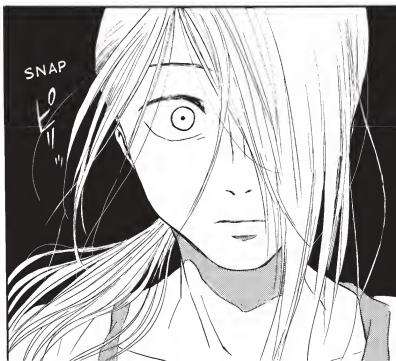

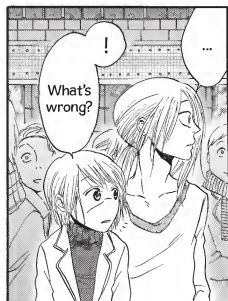

We'll switch to
the weather map
for a moment.
(30 seconds.)

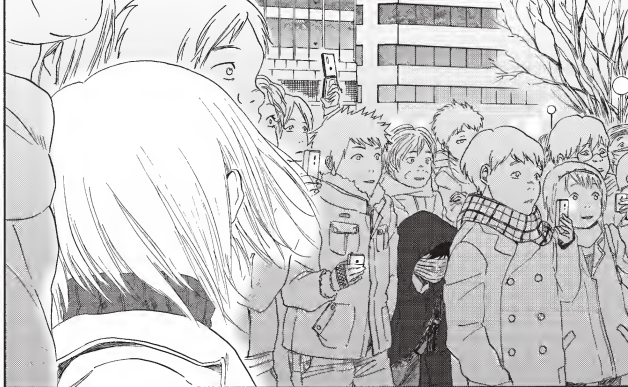

Now
then, let's
take a
look at the
national
weather.

probably
stopped by now.
I'll be back in a

keeps
drinking

she'll die.

I'm
gonna
stop that
devil in
the cap.

Wait!
I'm
taking a

Don't
push,
idiot!

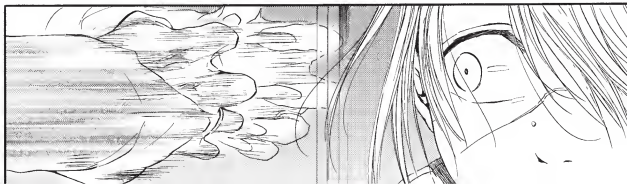

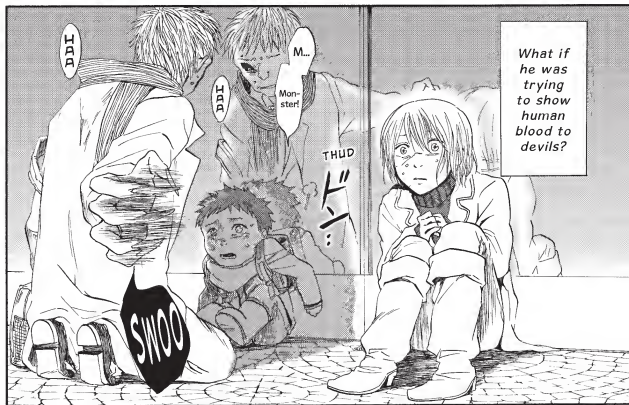

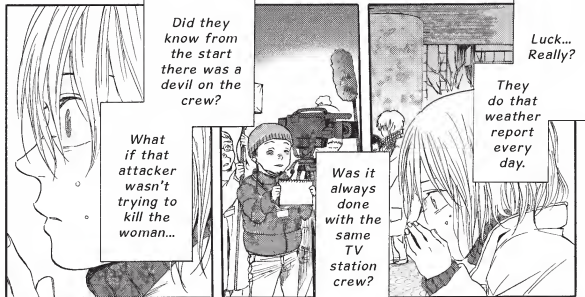

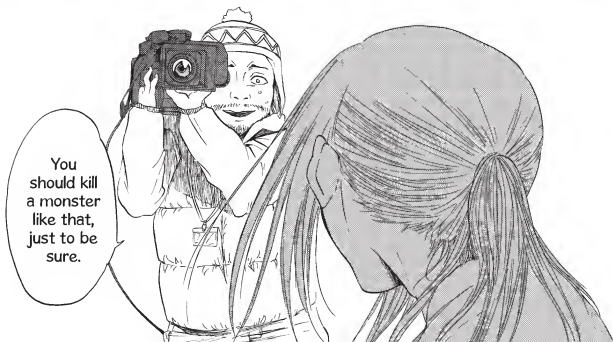

And
of all the
bad luck,
for a devil
to be right
there in
front of

would
randomly
slash her in

of a TV
broadcast...

I feel
like I'm
gonna
throw
up.

I'll be

This is

Division 5.

As
soon as you
arrive on
the scene,
restrain any
transformed
devils.

We
can't have
misgivings
about what
happens
outside the
crime scene.
We have to
get this
under
control.

Temporarily
shifting
to B2
for the
emergency.

I
will be
issuing
orders.

What are you planning to do, Anzai?

is full of static. He must be jumping like crazy. Anzai's wireless

F Squad, Sawazaki! ETA, 15 minutes.

Takimoto, C Squad! ETA 13 minutes!

ZHFF

It's unknown how many devils were in the audience.

I'll be on the scene in 9 minutes.

You shouldn't be able to move like that.

And you've barely eaten anything.

LEAP

izers.

supposed

something
like today
happens
again when
you're
on your
own,
inject
them
into the
attacker.

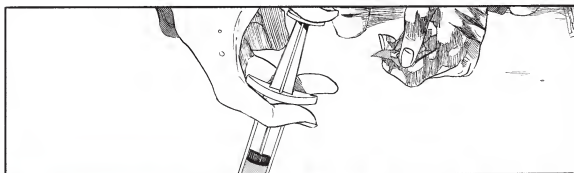

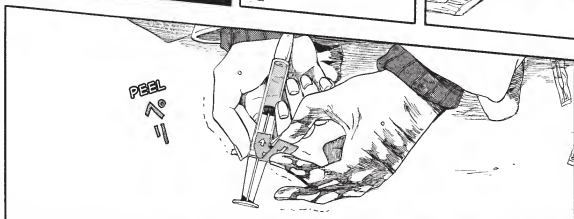

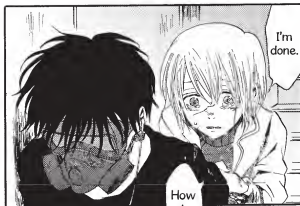

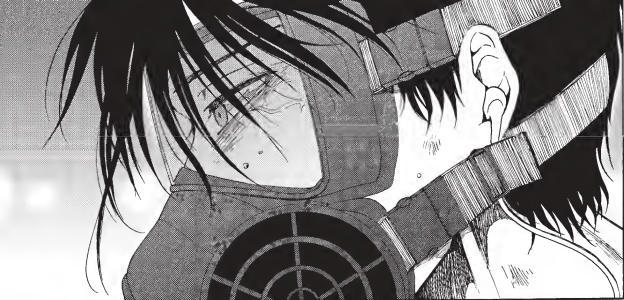

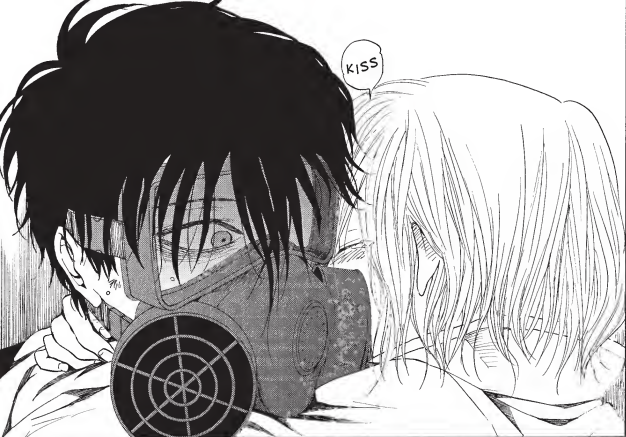

I'll
stay...

If you
shoot me
within 10
seconds...

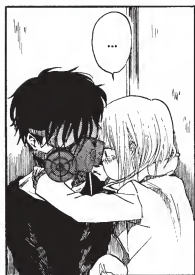

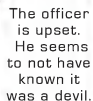

I just felt like—
It's fine.

Tsukasa?

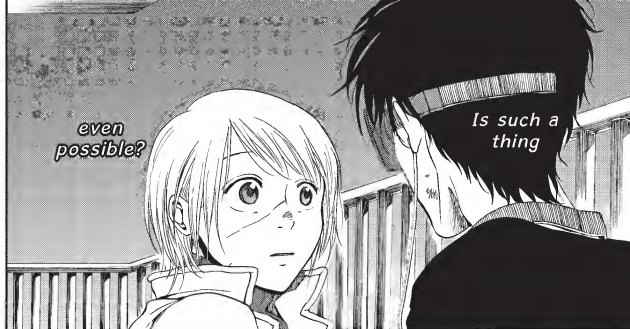

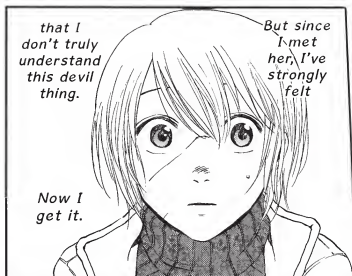

even possible?

Is such a thing

that I don't truly understand this devil thing.

But since I met her, I've strongly felt

Now I get it.

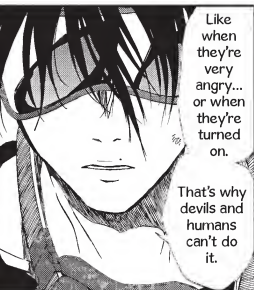

I never had any real doubts about that before.

Half-devil means one is born to a human and a devil.

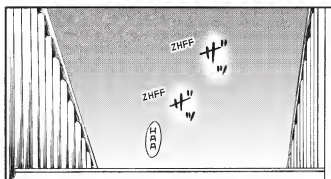

And sex only became legal at the end of last year. Are there any successful examples?

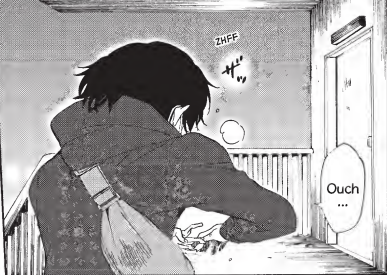

There's no way for a human and a devil to have sex, so they can't have kids.

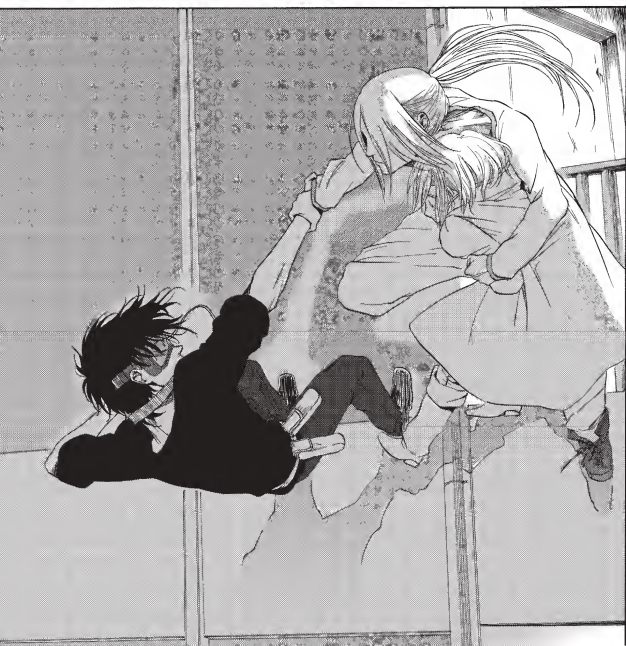

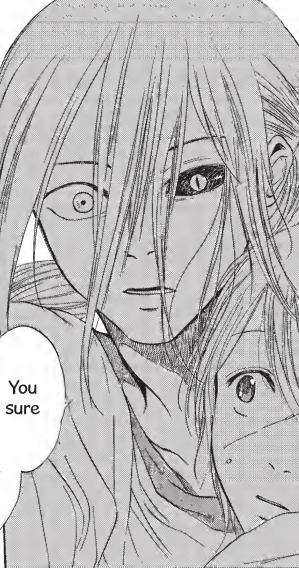

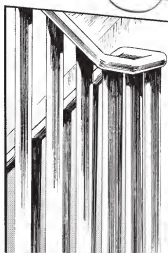

You
sure

fall a
lot.

One

Who...

are
you...?

Hee

Hee

But the leader made that decision.

And I know you're against Plan B.

Part one's already over.

What's chasing me gonna do?!

Knock it off already, Zero Seven!!

I was in favor of this strategy,

Zero Seven.

When did I ever say that?!

WHAP

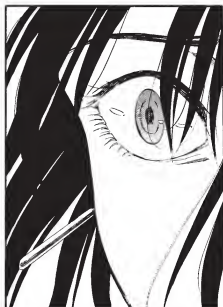

You think you're just an assistant, that you're not responsible?

It's an essential first step in eliminating them from society.

By sacrificing a few humans, we could throw the devils' existence into sharp relief.

I'm
sorry.

Mura

TMP

Seven.

As
long as
you're here,
the team is
hobbled,

I had no
choice.
It's for the
sake of
society as
a whole...

ZHFF

Zero

Fifteen.

No!
I...

I'd do
anything
for the
sake of
the team...
for you...

Do I

your

"human"?

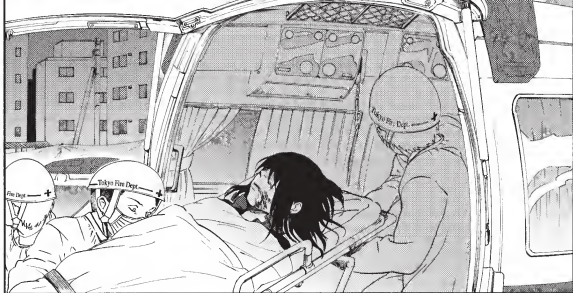

Fifteen

Looks something
like this with hair
down. Close in
age to Zero Seven
and Zero Nine.
The three of them
were fairly close.

wouldn't so easily get stabbed by a random amateur.

Probably.
But what's she doing here?

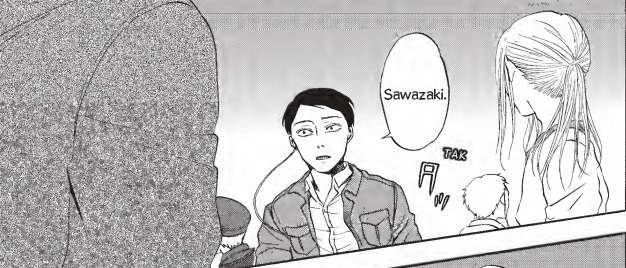

I can't believe it's that sniper...
Definitely her, right?

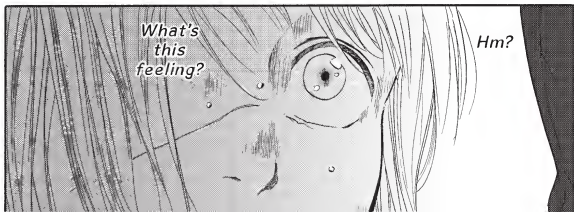

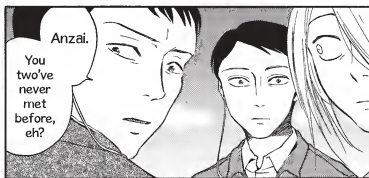

Someone who works as a sniper

Did she just happen to be here and got dragged into it?

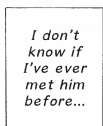

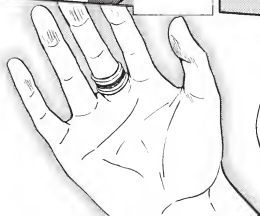

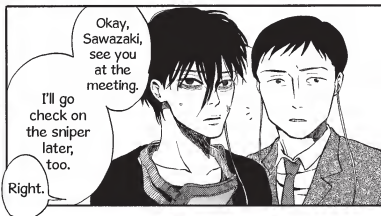

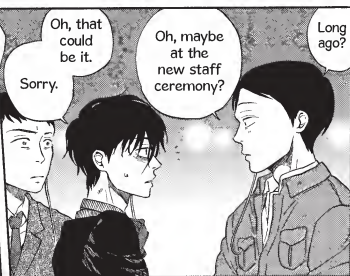

And un-armed.

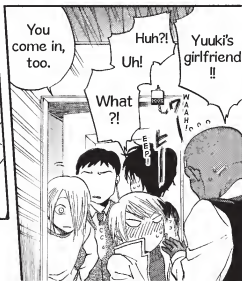

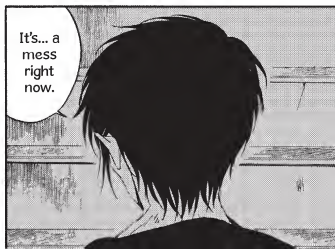

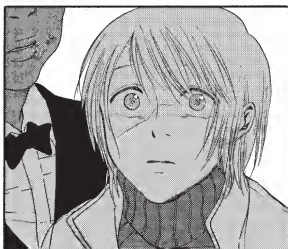

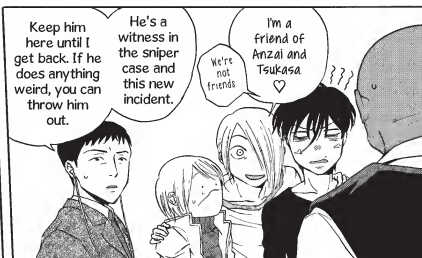

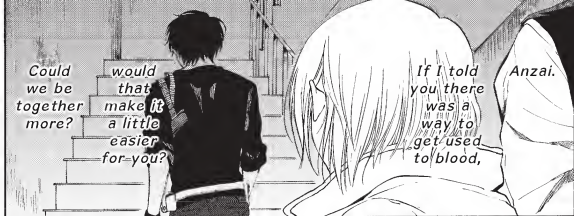

Could
we be
together
more?

would
that
make *fit*
a little
easier
for-you?

If I told
you there
was a
way to
get-used
to blood,

Anzai.

I gotta
tell you
about
this.

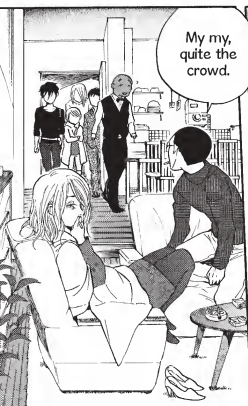

That's
right.
Your life
will grow
longer.

And your
lifespan...

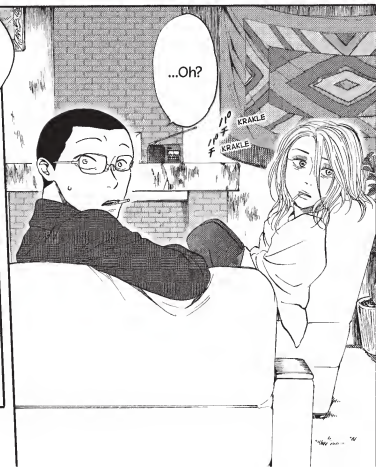

I absolutely
have to
tell him.

This,

KRAKLE

Finally
getting
together

devils.

I
heard
on the
radio.

Get
in touch
if you
need to.

I have to
go to that
meeting. I
don't think
it'll end
today,
though.

Stay on
standby.

Maybe
devils will
run out of
places
to go.

Even
though the
only
place that
treats
devils
properly

is our
Division
5.

I mean,
reacting
each and
every
time to
human
bloo—

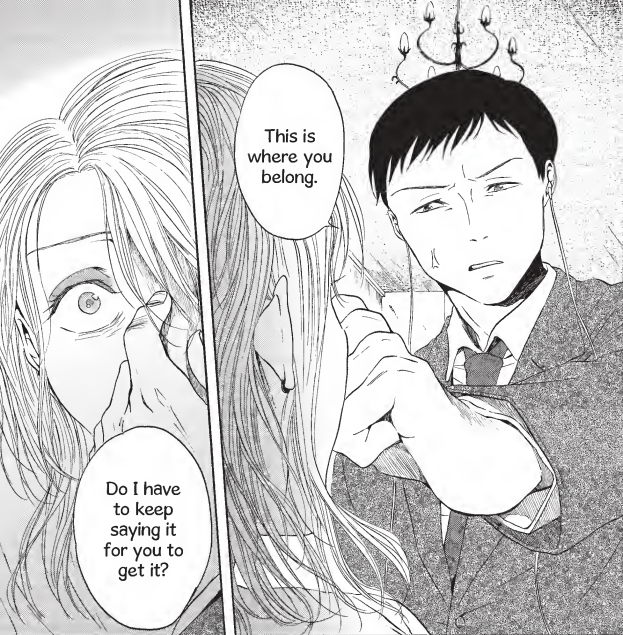

Just a
hassle,
right?

They figured
out early on
that devils
are hard to
handle.

I
wonder.

It's not
like it's
decided
they'll cast
us devils
out—

This is
where you
belong.

Do I have
to keep
saying it
for you to
get it?

The
humans in
Division 5
are keenly
aware of
this.

Humans
or devils
alone can't
sufficiently
handle the
cases.

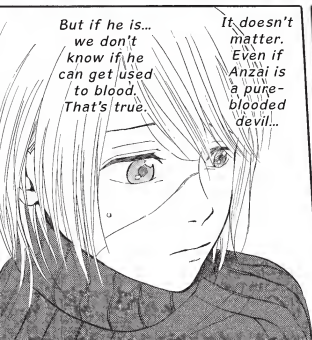

Division
5's job is
to pursue
devil
suspects.

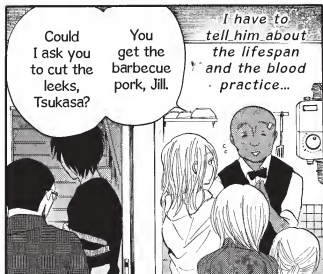

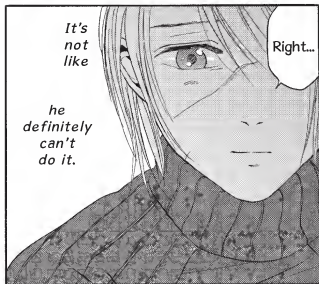

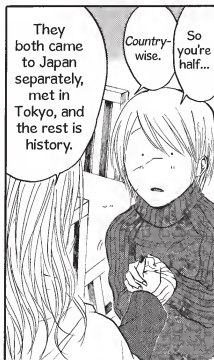

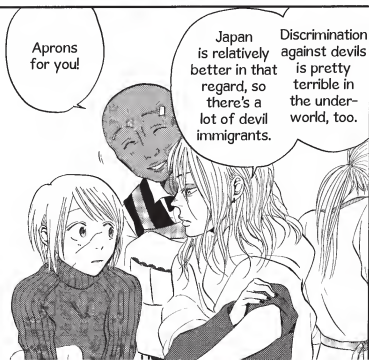

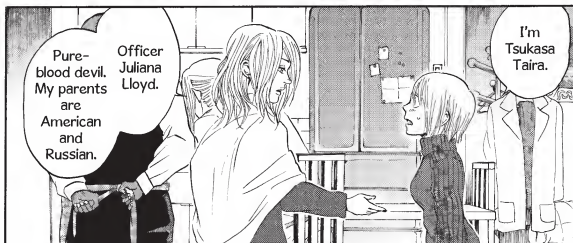

!

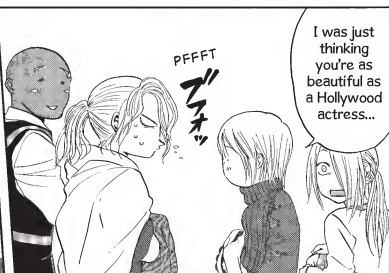

You
too,
Anzai.

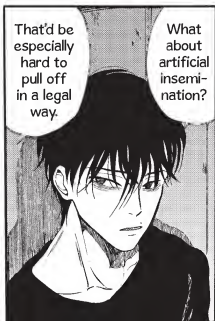

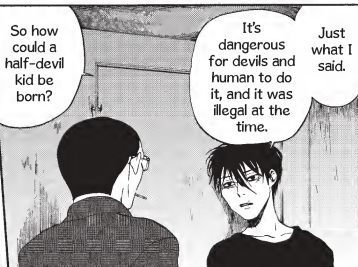

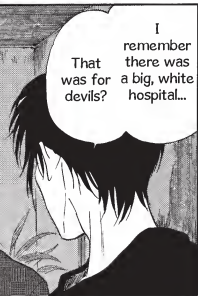

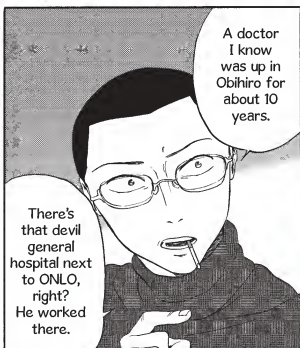

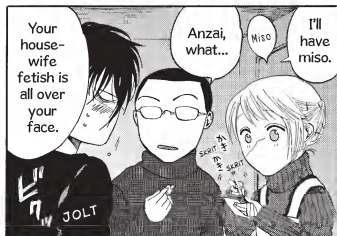

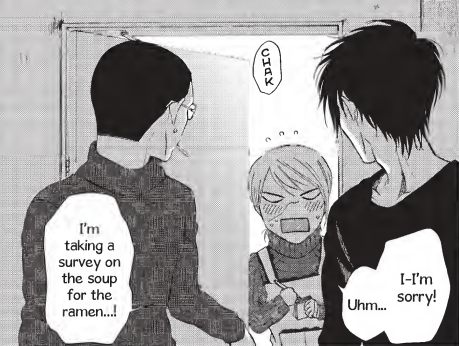

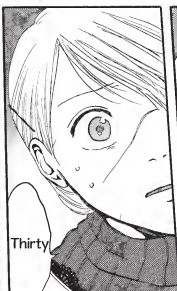

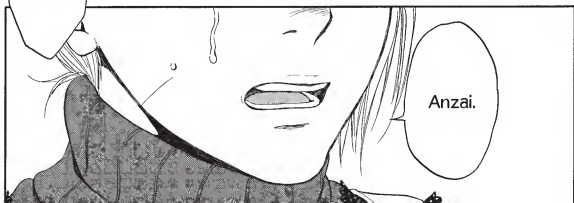

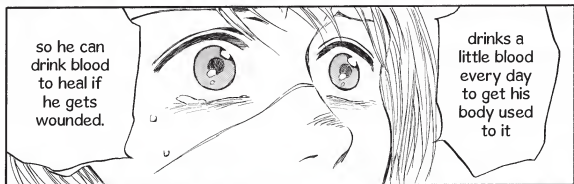

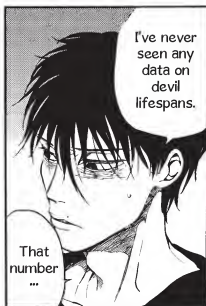

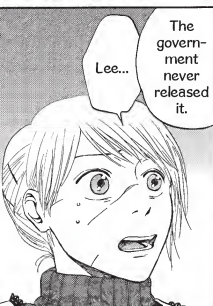

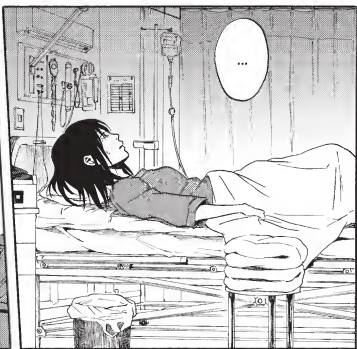

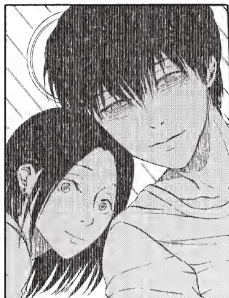

Drink
my
blood.

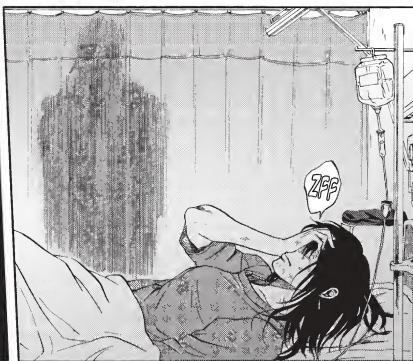

I'll

give it
to you
every
day...
